FLOOR DEBATE

April 8, 2002 LB 426, 905, 1211
 LR 457

SPEAKER KRISTENSEN: Thank you, Mr. President. Members, just to give you an idea of what I think we should proceed and do at this point, from a schedule point of view, while we're waiting for LB 1085 to come down, and LB 1085A, it needs to also come down and get readvanced, the A bill does, to catch up so they both can be read in tonight, off of E & R. Tomorrow could be a layover day for that bill, and then we...that would be eligible for us to finally read on Wednesday. We're going to go ahead and move through LB 905, see where that takes us, and then LB 898. It shouldn't take that long for the E & R work to occur. They've been working on it for some time, and I expect that to happen reasonably soon. But we will proceed at this point, starting with LB 905.

SENATOR CUDABACK: Thank you, Speaker Kristensen. Items for the record.

CLERK: Thank you, Mr. President. A gubernatorial appointment letter regarding appointments to the Information Technology Commission. A new resolution, LR 457, by Senator Synowiecki; that will be laid over. I have an amendment by Senator Bromm to LB 1211. Mr. President, a couple of announcements...I'm sorry. Senator Brashear has an amendment to LB 426 to be printed as well. There will be a meeting of the Appropriations Committee tomorrow, Tuesday, April 9 in Room 1003 at 12:30 p.m. And Program Evaluation will meet tomorrow morning at 8:00 a.m. in Room 2022. (Legislative Journal pages 1539-1540.)

Mr. President, Select File, LB 905. Senator Erdman, I have Enrollment and Review amendments. (AM7201, Legislative Journal page 1125.)
